

EMERGENCY PREPAREDNESS GUIDE: WHAT TO DO WHEN DISASTER THREATENS

This 36 page comprehensive guide helps you prepare in advance for hurricanes, earthquakes, thunderstorms, tornadoes, fires, chemical terrorist attacks and other disasters. Topics included are:

- Steps for creating an emergency plan
- Preparing a disaster supply kit
- Treating injuries
- Evacuation tips
- A review of the color-coded Homeland Security Advisory System
- A page to fill in important local emergency phone numbers
