G. Authority to require property owner to construct, repair, maintain sidewalks, curbs; lien for costs when done by City⁷¹⁴. The Board of Alders may Order the owner or owners of any land fronting on any highway or street in said City to construct or repair sidewalks, curbs within the highway adjacent to said land, in the manner and within the time specified in such Order, at such grade as said City may have constructed in said highway. Notice of such Order shall be given by the Director of Public Works to each property owner affected by said Order, in the manner prescribed for serving notices of hearing of said department. If any such owner(s) shall neglect or refuse to comply with such Order, or to remove snow, ice or sleet from the sidewalk adjacent to their land in the manner required by Ordinance, it shall be the duty of the superintendent of streets, at the expense of the City, to perform the things required by such Order or Ordinance, and the expense so incurred shall, from the time when such superintendent begins to act and make expense in the premises, be and continue a lien and real encumbrance in favor of said City upon such land. Such amount may also be recovered in an action in the name of said City.

H. Special assessment liens⁷¹⁵. All assessments of benefits made under this Charter shall be and remain a lien upon the property especially benefited by the public works or improvement in view of which assessments were made, but the whole amount of assessments for benefits, by reason of any such work or improvement, shall in no case exceed the cost thereof, including the damages payable; and such liens, and liens for the expenses of the laying of any sidewalk, curb by said City, or for the cleaning of any sidewalk, shall take precedence and priority of all other liens or encumbrances on the property whereon the same is imposed (except taxes and other City liens prior in date), and may be foreclosed in the same manner as though said liens were mortgages on such property in favor of said City to secure the amount of such assessment or expense; provided, that no such lien shall continue to exist longer than sixty (60) Days after such assessment shall have become payable, or, as the case may be, after such expense shall have been incurred, unless within that period a certificate of lien, in the manner and form elsewhere provided, shall be lodged with the City Clerk, to be recorded in a book kept for that purpose. When any lien is put upon any land or buildings under the Charter and bylaws of said City, such land and buildings shall be liable for the assessment and interest on the amount of such lien from the date thereof until paid, and also for the City Clerk's fee and a fee of one (\$1.00) dollar for the drafting of a lien certification, and, before such lien shall be removed, such assessment, interest and fees shall be paid to the collector.

In case any land in front of which any sidewalk, curb is ordered, or against which an assessment of benefits for any public work is to be made, shall be held by two or more persons jointly, or two or more persons shall have different estates therein, the Department of Public Works may apportion between such persons the amount of such assessment or the expense of carrying out such Order. Said department shall report its doings to the Board of Alders, and the action of said Board of Alders thereon shall determine the amount to be paid by the said persons respective.

J. Appeals from assessments⁷¹⁷. Said court may, by a committee or otherwise, inquire into the allegations of such application, and may confirm, annul or modify the assessment or other action therein complained of, or make such Order in the premises as equity may require, and may allow costs to either party at its discretion; and said court may inquire into the validity of all the proceedings upon which said assessments or other action is based. No land taken as aforesaid shall be occupied by the City until the time for taking appeals shall have expired, and until all appeals have been finally disposed of; provided, however, if the City shall, on any such appeal, if such appeal is not taken from the layout itself, file an offer to give such security as said court may require for the payment of all such damages as may be finally awarded to the appellant, said court, or in vacation, any judge thereof, after hearing the parties upon such notice as said court or judge may deem sufficient, shall proceed to fix the security to be given by said City for the payment of said damages; and when said City shall have given the security fixed as aforesaid, said City may immediately enter upon, take possession of, and use such land for the purpose or purposes for which said land is taken. All such appeals shall be privileged cases in the superior court, and it shall be the duty of the Corporation Counsel to cause such appeals to be heard as speedily as possible.

Authorized assessments for sewers and for street pavements need not be Published, but all such assessments shall be valid and of full force whenever the City Clerk shall have deposited in the post office a letter or postal card addressed to owner of the abutting property and to the street railroad company, against which any assessment may have been laid notifying such owner or railroad company of the amount of any such assessment.

All such contracts shall be founded on sealed bids or proposals made in compliance with Public Notice published at least ten (10) Days before the time fixed for opening said bids or proposals. If the Purchasing Agent shall not deem it for the interest of the City to reject all bids, the Purchasing Agent shall award the contract to the lowest responsible bidder⁷²⁰.

Such check or surety bond shall accompany the proposal and shall be for an amount determined by the Purchasing Agent and stated in the advertisement for proposals. Within three (3) Days after the lowest responsible bidder has been determined, the Purchasing Agent shall return all such checks or surety bonds to the persons depositing the same, except the check or surety bond deposited by the lowest responsible bidder/proposing party.
