We celebrate and thank *all* of the volunteers who give of their time, their talent, their love of life, their kindness. Our community and our daily lives are enriched because of all that you do, all that you give, and all that you are. Our senior centers and clubs could not operate without your time, talent and devotion. You exemplify the spirit of community that connects us, and adds meaning and richness to life. *You remind us what matters. You show us the way. Today, we say thank you to our **Seniors of the Year**, and to all who give, create, connect.*
