

EVACUATION ASSISTANCE FOR THE ELDERLY AND SPECIAL NEEDS POPULATIONS

Hurricane Katrina has brought to light the necessity of municipalities to better support our elderly population and residents with disabilities. The information you **voluntarily** supply will help the City's emergency management team locate and evacuate you in the event of an emergency.

The registration form is for the elderly and individuals with a disability who reside in the City of New Haven. This program is an effort to register our special populations in the event an evacuation is announced within the City of New Haven. You will be contacted in the future for further information to allow us to develop appropriate disability related shelters.

Please print and complete the attached downloadable form [\(in English\)](#) or [\(in Spanish\)](#). Feel free to add any additional information you may think is important. The return address for mailed responses is on the form itself or you may bring your completed form to any Fire Station or Senior Center in New Haven.

The image shows two overlapping registration forms. The top form is yellow and is the English version, titled 'EVACUATION ASSISTANCE FOR THE ELDERLY AND SPECIAL NEEDS POPULATIONS'. The bottom form is green and is the Spanish version, titled 'AYUDA PARA EVACUAR A LAS PERSONAS DE LA TERCERA EDAD Y A LAS PERSONAS CON NECESIDADES ESPECIALES'. Both forms contain fields for personal information, contact details, and emergency contact information.

The information collected will be updated by the Office of Emergency Management on an annual basis. Please be assured that all information you supply will remain confidential and will be used solely for emergency purposes. If you have any questions or need further information, please contact the Office of Emergency Management at 946-8224 or jmoore@newhavenct.net.

If because of a disability you need these documents in an alternate format please contact 946-7833 or TTY 946-8582.

The downloadable version of this form has been reformatted to fit letter size paper.
