### REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Honorable Mayor and Members of  
the Board of Aldermen  
New Haven, Connecticut

We have audited the financial statements of the City of New Haven, Connecticut as of and for the year ended June 30, 2005, and have issued our report thereon dated November 18, 2005. We did not audit the financial statements of the New Haven Parking Authority or the New Haven Coliseum Authority, component units of the City, or the Water Pollution Control Authority, an enterprise fund, which statements reflect total net assets of \$112,209,888 and total changes in net assets of (\$2,195,456) for the year then ended. Except as discussed in the preceding sentence, we conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. The financial statements of the New Haven Parking Authority and the Water Pollution Control Authority were not audited in accordance with the standards applicable to financial audits contained in *Government Auditing Standards*. The financial statements of the New Haven Coliseum Authority were audited in accordance with the standards applicable to financial audits contained in *Government Auditing Standards*.

#### Internal Control Over Financial Reporting

In planning and performing our audit, we considered the City of New Haven, Connecticut's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

### Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City of New Haven, Connecticut's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Board of Aldermen and its Finance Committee, as well as the management of the City of New Haven, Connecticut, the Office of Policy and Management and federal and state awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

### REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133, AND ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Honorable Mayor and Members of  
the Board of Aldermen  
New Haven, Connecticut

#### Compliance

We have audited the compliance of the City of New Haven, Connecticut with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended June 30, 2005. The City of New Haven, Connecticut's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the City of New Haven, Connecticut's management. Our responsibility is to express an opinion on the City of New Haven, Connecticut's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. The financial statements of the New Haven Parking Authority and the Water Pollution Control Authority were not audited in accordance with the standards applicable to financial audits contained in *Government Auditing Standards*. The financial statements of the New Haven Coliseum Authority were audited in accordance with the standards applicable to financial audits contained in *Government Auditing Standards*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on the major federal program occurred. An audit includes examining, on a test basis, evidence about the City of New Haven, Connecticut's compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the City of New Haven, Connecticut's compliance with those requirements.

In our opinion, the City of New Haven, Connecticut complied, in all material respects, with the requirements referred to above that are applicable to its major federal programs for the year ended June 30, 2005.

### Internal Control Over Compliance

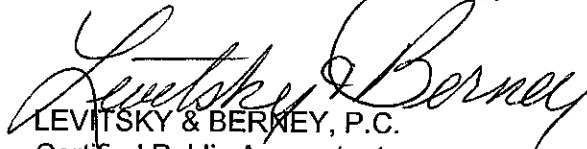

The management of the City of New Haven, Connecticut is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the City of New Haven, Connecticut's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with the OMB Circular A-133. The financial statements of the New Haven Parking Authority were not audited in accordance with the standards applicable to financial audits contained in *Government Auditing Standards* or OMB Circular A-133. The financial statements of the New Haven Coliseum Authority were audited in accordance with the standards applicable to financial audits contained in *Government Auditing Standards* but were not audited in accordance with OMB Circular A-133. Accordingly, this report does not extend to the New Haven Parking Authority or the New Haven Coliseum Authority.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts, and grants caused by error or fraud that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

### Schedule of Expenditures of Federal Awards

We have audited the financial statements of the governmental activities, the business-type activities, the discretely presented components units, each major fund, and the aggregate remaining fund information of the City of New Haven, Connecticut as of and for the year ended June 30, 2005, and have issued our report thereon dated November 18, 2005. Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the City of New Haven, Connecticut's basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

This report is intended solely for the information of the Board of Aldermen and its Finance Committee, as well as the management of the City of New Haven, Connecticut, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

The City of New Haven has over 1.4 million dollars worth of loans receivable recorded in its general ledger, while approximately \$817,070 is considered uncollectible. In addition the City performed limited monitoring procedures on these outstanding loans.

**Current Status**

The City of New Haven's Corporation Counsel, in conjunction with the Finance Department is reviewing all available documentation and interviewing personnel to determine the status of all loans outstanding under the program.

**Finding – 04-2 Payroll Disbursements Discrepancies**

**Condition**

During the fiscal year ended June 30, 2004 the Department of Finance of the City discovered a payroll discrepancy. A vice-principal within the Education Department has since been accused of cashing payroll checks issued to another education department employee. The accusation includes checks being authorized and printed based on possible false information then forwarded to the vice-principal for issuance to the employee, with such checks not ultimately received by that employee. If this is the case, the other employee would normally be unaware of the activity as it occurred. However, at the end of the calendar year the employee noticed that higher wages were reported to the IRS, on her Form W-2, than she actually received. The City has turned this matter over to the proper criminal authorities and an investigation is being conducted.

The City's monitoring procedures have led to the discovery and investigation of the possible employee theft. In addition, the Internal Audit Department improved their W-2 Form issuance procedures to circumvent such falsification of payroll disbursements and reporting, which uncovered the discrepancy.

**Current Status-Corrected**

The issuance of the incorrect Form W-2 had triggered the reporting of possible fraud and the ensuing investigation. As part of the City's monitoring and internal control improvement procedures, the Form W-2 is now sent directly to the employee in an effort to provide assurance that each employee receives and has reported the correct amount of wages. This internal control procedure was implemented because of the discovery of the employee fraud and the method of committing the alleged fraud.

**SUMMARY OF PRIOR YEAR AUDIT FINDINGS**  
**FOR THE YEAR ENDED JUNE 30, 2005**

**Finding – 04-2 Payroll Disbursements Discrepancies (Continued)**

**Current Status-Corrected (Continued)**

The following internal controls have been implemented at the department level:

- a) Only original employee timesheets will be accepted for submission. Photocopies and facsimiles are not acceptable.
- b) Timesheets must contain employee's complete name, address and social security number.
- c) Timesheets must be signed by employee, principal and department head.
- d) Payroll pre-run reports must be signed by preparer, principal and department head.

### INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM, ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH THE STATE SINGLE AUDIT ACT, AND ON THE SCHEDULE OF EXPENDITURES OF STATE FINANCIAL ASSISTANCE

Honorable Mayor and Members of  
the Board of Aldermen  
New Haven, Connecticut

#### Compliance

We have audited the compliance of the City of New Haven, Connecticut with the types of compliance requirements described in the *Office of Policy and Management Compliance Supplement* that are applicable to each of its major state programs for the year ended June 30, 2005. The major state programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major state programs is the responsibility of the City of New Haven, Connecticut's management. We did not audit the compliance of the New Haven Coliseum Authority, a component unit, which had expenditures of State financial assistance of \$630,000. Those compliance requirements were audited by other auditors whose report thereon has been furnished to us, and our opinion, insofar as it relates to the information included for the New Haven Coliseum Authority, is based on the report of the other auditors. Our responsibility is to express an opinion on compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the State Single Audit Act (C.G.S. Sections 4-230 to 4-236). The financial statements of the New Haven Parking Authority and the Water Pollution Control Authority were not audited in accordance with the standards applicable to financial audits contained in *Government Auditing Standards*. The financial statements of the New Haven Coliseum Authority were audited in accordance with the standards applicable to financial audits contained in *Government Auditing Standards*. Those standards and the State Single Audit Act require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major state program occurred. An audit includes examining, on a test basis, evidence about the City of New Haven, Connecticut's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the City of New Haven, Connecticut's compliance with those requirements.

In our opinion, the City of New Haven, Connecticut complied, in all material respects, with the requirements referred to above that are applicable to each of its major state programs for the year ended June 30, 2005.

### Internal Control Over Compliance

The management of the City of New Haven, Connecticut is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to state programs. In planning and performing our audit, we considered the internal control over compliance with requirements that could have a direct and material effect on a major state program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with the State Single Audit Act.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants caused by error or fraud that would be material in relation to a major state program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

### Schedule of Expenditures of State Financial Assistance

We have audited the financial statements of the governmental activities, the business-type activities, the discretely presented component units, each major fund, and the aggregate remaining fund information of the City of New Haven, Connecticut as of and for the year ended June 30, 2005, and have issued our report thereon dated November 18, 2005. Our audit was performed for the purpose of forming an opinion on the financial statements that collectively comprise the City of New Haven, Connecticut's basic financial statements. The accompanying schedule of expenditures of state financial assistance is presented for purposes of additional analysis as required by the State Single Audit Act and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

This report is intended solely for the information of the Board of Aldermen and its Finance Committee, as well as the management of the City of New Haven, Connecticut, the Office of Policy and Management, and state awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

**CITY OF NEW HAVEN, CONNECTICUT**  
**STATE FINANCIAL ASSISTANCE PROGRAMS**  
**NOTES TO SCHEDULE OF EXPENDITURES**  
**FOR THE YEAR ENDED JUNE 30, 2005**

Various departments and agencies of the State of Connecticut have provided financial assistance to the City of New Haven, Connecticut through grants and other authorizations in accordance with the General Statutes of the State of Connecticut. These financial assistance programs fund several programs including Education, Public Safety and General Government, Public Works, Health and Social Services and Property Tax Relief for certain individuals.

**Note 1 – Summary of Significant Accounting Policies**

The accounting policies of the City of New Haven, Connecticut conform to generally accepted accounting principles as applicable to governments. The following is a summary of the more significant policies relating to the aforementioned grant programs.

**Basis of Accounting**

The financial statements contained in the City of New Haven, Connecticut's annual audit report are prepared in conformity with the requirements of the Governmental Accounting Standards Board and conform to generally accepted accounting principals as applicable to municipalities. The following is a summary of such basis:

Revenues are recorded in the accounting period in which they become available and measurable. Those revenues which are susceptible to accrual are property taxes, intergovernmental revenue and interest revenue. Certain special revenue fund grants are measurable at the time all eligibility requirements are met.

Expenditures are recorded when the related liability is incurred except for the following items, which are recorded when payments are made: interest on general long-term debt, vacation pay and sick pay.

The Schedule of Expenditures of State Financial Assistance, contained in this report, is prepared based on regulations established by the State of Connecticut Office of Policy and Management. In accordance with these regulations (Section 4-236-22), certain grants are not dependent on expenditure activity, and accordingly, are considered to be expended in the fiscal year of receipt. These grant program receipts are reflected in the expenditures column of the Schedule of Expenditures of State Financial Assistance.
