AND ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**

To the Honorable Mayor and Members of
the Board of Aldermen
New Haven, Connecticut

Compliance: We have audited City of New Haven, Connecticut's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2012. The City of New Haven, Connecticut's major federal programs are identified in the summary of independent auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the City of New Haven, Connecticut's management. Our responsibility is to express an opinion on the City of New Haven, Connecticut's compliance based on our audit.

The City of New Haven, Connecticut's basic financial statements include the operations of the New Haven Parking Authority and New Haven Solid Waste and Recycling Authority, component units of the City. Our audit, described below, did not include these component units because they were not required to have OMB Circular A-133 Audits.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City of New Haven, Connecticut's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the City of New Haven, Connecticut's compliance with those requirements.

In our opinion, the City of New Haven, Connecticut complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2012.

Internal Control Over Compliance: Management of the City of New Haven, Connecticut is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the City of New Haven, Connecticut's internal control over compliance with requirements that could have a direct and material effect on a major federal program to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City of New Haven, Connecticut's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected and corrected, on a timely basis.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

Schedule of Expenditures of Federal Awards: We have audited the financial statements of the governmental activities, the business-type activities, the discretely presented component units, each major fund, and the aggregate remaining fund information of the City of New Haven, Connecticut as of and for the year ended June 30, 2012, and have issued our report thereon dated February 15, 2013, which contained an unqualified opinion on those financial statements. We did not audit the financial statements of the New Haven Parking Authority, a discretely presented component unit of the City; our audit includes a reference to other auditors. Our audit was conducted for the purpose of forming our opinions on the financial statements that collectively comprise the City of New Haven, Connecticut's financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

This report is intended solely for the information and use of management, the Board of Aldermen and its Finance Committee, others within the entity, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

**CITY OF NEW HAVEN, CONNECTICUT
SUMMARY OF PRIOR YEAR AUDIT FINDINGS
For the Year Ended June 30, 2012**

Finding IC11-01.

The City of New Haven corrected the prior year finding.

Finding IC11-02.

The City of New Haven corrected the prior year finding.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE
AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH “GOVERNMENT AUDITING STANDARDS”**

To the Honorable Mayor and Members of
the Board of Aldermen
New Haven, Connecticut

We have audited the financial statements of the governmental activities, the business-type activities, the discretely presented component units, each major fund, and the aggregate remaining fund information of the City of New Haven, Connecticut as of and for the year ended June 30, 2012, which collectively comprise the City of New Haven, Connecticut's basic financial statements, and have issued our report thereon dated February 15, 2013. Our report includes a reference to other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. The financial statements of the New Haven Parking Authority were not audited in accordance with the standards applicable to financial audits contained in *Government Auditing Standards*.

Internal Control Over Financial Reporting: Management of the City of New Haven, Connecticut is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the City of New Haven, Connecticut's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the basic financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City of New Haven, Connecticut's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the City of New Haven, Connecticut's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined previously.

Compliance and Other Matters: As part of obtaining reasonable assurance about whether the City of New Haven, Connecticut's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to management of the City of New Haven, Connecticut in a separate letter dated February 15, 2013.

This report is intended solely for the information and use of management, the Board of Aldermen and its Finance Committee, others within the entity, the Office of Policy and Management and federal and state awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.

REPORT ON COMPLIANCE WITH REQUIREMENTS THAT COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH THE STATE SINGLE AUDIT ACT AND ON THE SCHEDULE OF EXPENDITURES OF STATE FINANCIAL ASSISTANCE

To the Honorable Mayor and Members of
the Board of Aldermen
New Haven, Connecticut

Compliance: We have audited the compliance of the City of New Haven, Connecticut, with the types of compliance requirements described in the *Office of Policy and Management's Compliance Supplement* that could have a direct and material effect on each of the City of New Haven, Connecticut's major state programs for the year ended June 30, 2012. The City of New Haven, Connecticut's major state programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major state programs is the responsibility of the City of New Haven, Connecticut's management. Our responsibility is to express an opinion on the City of New Haven, Connecticut's compliance based on our audit.

The City of New Haven, Connecticut's basic financial statements include the financial data of the New Haven Parking Authority and New Haven Solid Waste and Recycling Authority, component units of the City. Our audit, described below, did not include these component units because they were not required to have audits in accordance with the State Single Audit Act.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the State Single Audit Act (C.G.S. Sections 4-230 – 4-236). Those standards and the State Single Audit Act require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major state program occurred. An audit includes examining, on a test basis, evidence about the City of New Haven, Connecticut's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the City of New Haven, Connecticut's compliance with those requirements.

In our opinion, the City of New Haven, Connecticut complied, in all material respects, with the requirements referred to above that could have a direct and material effect on each of its major state programs for the year ended June 30, 2012.

Internal Control Over Compliance: Management of the City of New Haven, Connecticut is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to state programs. In planning and performing our audit, we considered the City of New Haven, Connecticut's internal control over compliance with requirements that could have a direct and material effect on a major state program to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with the State Single Audit Act, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City of New Haven, Connecticut's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented or detected and corrected, on a timely basis.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

Schedule of Expenditures of State Financial Assistance: We have audited the financial statements of the governmental activities, the business-type activities, the discretely presented component units, each major fund, and the aggregate remaining fund information of the City of New Haven, Connecticut as of and for the year ended June 30, 2012 and have issued our report thereon dated February 15, 2013, which contained an unqualified opinion on those financial statements. We did not audit the financial statements of the New Haven Parking Authority, a discretely presented component unit of the City. Our audit was conducted for the purpose of forming our opinions on the financial statements that collectively comprise the City of New Haven, Connecticut's financial statements. The accompanying schedule of expenditures of state financial assistance is presented for purposes of additional analysis as required by the State Single Audit Act and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of state financial assistance is fairly stated in all material respects in relation to the financial statements as a whole.

This report is intended solely for the information and use of the management, Board of Aldermen and its Finance Committee, others within the entity, the Office of Policy and Management, and state awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

NOTES TO SCHEDULE OF EXPENDITURES OF STATE FINANCIAL ASSISTANCE For the Year Ended June 30, 2012

Various departments and agencies of the State of Connecticut have provided financial assistance to the City of New Haven, Connecticut, through grants and other authorizations in accordance with the General Statutes of the State of Connecticut. The financial assistance programs fund several programs including education, economic and community development, environmental protection, library, health, public safety, social services, developmental services, emergency management and homeland security and transportation.

Note 1. Summary of Significant Accounting Policies

The accounting policies of the City of New Haven, Connecticut conform to accounting principles generally accepted in the United States of America as applicable to governments. The following is a summary of the more significant policies relating to the aforementioned grant programs.

Basis of accounting

The Schedule of Expenditures of State Financial Assistance, contained in this report, is prepared based on regulations established by the State of Connecticut Office of Policy and Management. In accordance with these regulations (Section 4-236-22), certain grants are not dependent on expenditure activity, and accordingly, are considered to be expended in the fiscal year of receipt. These grant program receipts are reflected in the expenditures column of the Schedule of Expenditures of State Financial Assistance.

Note 2. Component Units

The schedule does not include any expenditure of State awards of the City's discretely presented component units.
