POSTED: APRIL 10, 2017
REMOVAL DATE: APRIL 24, 2017

**POSITION: MAINTENANCE WORKER / SPARE BRIDGE TENDER
(M5474) (NOT TESTED)**
DEPARTMENT: PUBLIC WORKS
SALARY: (RANGE 1:) MINIMUM: \$37,672 ANNUALIZED
HOURS: 40 HOURS PER WEEK, Various Shifts covering 24/7 operations
FUNDING: GENERAL FUNDS

NATURE OF WORK:

This is skilled work, participating in the construction, maintenance, and repair of metal and wooden articles, equipment and structures as well as the very responsible work of tending and operating bridges in a manner that is safe for land and water traffic. Work involves participation in the work of maintenance and repair of heavy equipment and bridge structures and the operation of electrical bridge controls, signal and traffic lights, as well as in controlling road traffic with a minimum of delay. Work requires various degrees of specialization depending on the type of assignment as well as independent and sound judgment and constant attentiveness to duties in the operation of bridges to ensure safety to both land and water traffic. Work is performed independently by following oral and written instructions as well as sketches or blueprints and is reviewed by a supervisor for compliance with specifications and standards, and through observation of results obtained and review of operation reports.

MINIMUM REQUIREMENTS:

Graduation from high school or vocational school and 1 to 3 years of general maintenance and repair experience as well as experience in the use and operation of electrical controls and the necessary knowledge, abilities and skills as stated in the job description, including but not limited to: Knowledge in diagnosing and repairing defects in mechanical equipment; Knowledge of the methods and procedures in lubricating and servicing bridge mechanical equipment; Knowledge of the tools used for performing electrical and small plumbing repairs; Knowledge of the methods and procedures in the operation of bridges and its associated electrical and mechanical equipment; Knowledge of the rules and regulations governing water traffic including but not limited to Coast Guard rules and regulations; Skill in operating simple electrical controls and equipment; Ability to learn safe and effective operation of electrical bridge controls in a short period of time; Ability to follow oral and written instructions, including sketches and blueprints.

NECESSARY SPECIAL REQUIREMENT OF WORK

Possession of a commercial driver's license (CDL) with an endorsement for air brakes at the time of application.

Employment is contingent upon the successful completion of: (1) a background check, (2) a physical examination, including drug screening, and (3) a 90-day probationary period.

This position is included in a collective bargaining agreement with Local 71, American Federation of State, County and Municipal Employees. As a condition of continued employment, a person appointed to a Local 71 bargaining unit position will be required to obtain union membership at the completion of 90 working days.

Applications and job description may be picked up at the Department of Human Resources at 200 Orange St., 1ST Floor, Monday through Friday, 9 A.M. to 5 P.M. Applications and/or resumes must be received by the Department of Human Resources, **No Later Than 5 P.M. on REMOVAL DATE.**

Please note that our preferred method of communication with applicants is by email. In the application process, please provide us with a valid email address, and ensure that you monitor your email for correspondence from our department.
